The Jesse Tree

Jesse was the father of King David.

Jesse and King David were ancestors of Jesus.
God promised to send a king who would be a descendant of King David.

The Jesse tree shows how long the Jews waited for a King.
The Jesse tree shows us the people in the Old Testament who lived long before Jesus was born.

Jesse was related to these people. They were his ancestors.

The Jesse tree is Jesus' family tree.

Jesus is the King God promised to send to the Jewish people.
