SCHOOL UNIFORM SURVEY

Belgrove Senior Girls' School propose consolidating the current school uniform from September 2020. **The tracksuit & white aertex top will become the main uniform every day**, with the option of shorts for warmer weather. A skirt/pinafore may be worn with the tracksuit top. A long sleeved white aertex may be worn in colder weather.

The tracksuit bottoms will have one zipped pocket. The shorts will also have one zipped pocket with a small crest on one leg.

For incoming 2nd classes the blue crested school jumper, shirt and tie would no longer be part of the school uniform. 3rd-6th classes may wear the blue crested school jumper etc. if desired but please do not purchase replacements.

The following are the reasons for this proposed change:

- Comfort & flexibility: As we move towards a more active methodology, children are no longer active on PE days only. The tracksuit is less restrictive than a shirt, tie and jumper.
- Cost Savings: Only one uniform needs to be purchased.
- Links in with the changes Infant Girls' School introduced in September 2019.

Based on your feedback, we will inform the Board of Management of parent's preference. Please note the existing uniform will remain in place until the Board of Management agrees the changes.

If the proposed changes are agreed, all unwanted existing uniforms would be donated to a school in Africa (similar to what the Infant Girls' School have done).

Please respond to the survey your daughter received today, 30th January and return it to your daughter's teacher by Friday 7th February 2020.

If you have any queries please contact me.
