6ú Feabhra 2020

A thuismitheoirí / a chaomhnóirí,

The Department of Education & Skills (DES) have formally approved funding for our school. This is for the purposes of constructing

- 1 x mainstream classroom, en suite toilet
- 1 x WC for assisted users
- 3 X SET (Special Education Teacher)

This is as a result of a once off intake of 4 incoming 2nd classes in September 2020. The Board of Management would like 2 current parent representatives to join a sub-committee, 1 x engineer and 1 x quantity surveyor (ideally with school build experience). If you are willing to become involved, please email the school with your name, contact details and qualification.

This committee will appoint an architect to help with the design of the build which has to be approved by the DES. If you are aware of an architect who may be interested in the project, please advise them to contact the school with relevant details.

Le meas,

P.J. Sexton,
Chairperson to the BOM

Anne McCarthy,
Príomhoide
