

Some rules to keep us all safe and happy 😊

Before you start:

1. A parent has to be there when setting up the video call.
2. Set up your device in a quiet space, with no distractions in the background.

Participants will be removed for breaking guidelines

Getting started:

1. Be patient (This is new to a lot of people and it may take time)
2. Join the video with your microphone muted.
3. Do not use the 'Chat function' at any stage.

Remember

1. Dress appropriately.
2. Pictures or recordings of the video call are not allowed.
3. Remember our school rules - they are still in place, even online. Be respectful to teachers and pupils.

Participating

1. Raise your hand before speaking, just like you would do in class.
2. If you have the chance to talk, speak in your normal voice, using kind and friendly words.
3. Show respect by listening to others while they are speaking.

Don't forget to smile!

For submitting learning:

1. Submit work and pictures that are appropriate - have an adult take a look at your work before you send it.
2. Use kind and friendly words.
3. Keep your work neat and tidy.
