A cháilíní deasa, Tá súil agam go bhfuil sibh go maith. You are now over 8 months in the Senior Girls' School! Can you believe that!

How are you enjoying 2nd class - I know it is longer day for you (by a whole hour!) but there is **SO MUCH to learn** and enjoy! I know that was tiring initially but you are well used to that by now 😊.

It is lovely that you are able to meet the girls in the other 2nd classes on the ASTRO in a safe way. Unfortunately, we can't mix you together in your class rooms as we would like to (that is because of COVID-19 restrictions). But, that is okay because we have adapted what we do. And it lovely to be able to make new **friends**.

Did you know teachers have to do lots of planning and then after they make their plans sometimes they end up having to change and adapt them! But that is part of life because we often have to change things.

Can you think of a time you were going to do something and then you had to change your plans?

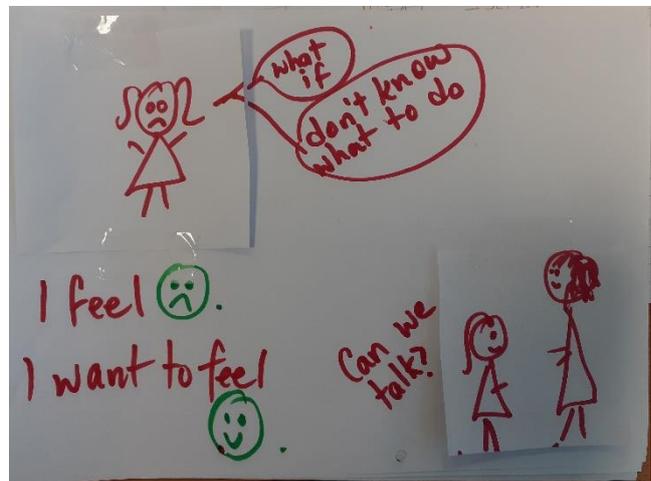

You know you can liaise with your teacher, either by speaking with her or placing a note in the class post box regarding **"Things I want my teacher to know"**.

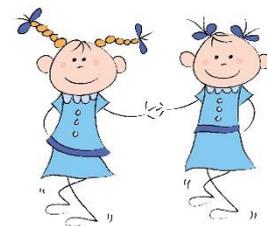

You can also write a note to me as well if you wish. When you put it in the class post box, write **Mrs. McCarthy** on it and your teacher will give it to me.

What if you don't like writing a letter? Could you draw a picture or a few pictures instead which will create a story board? We can chat about it then.

I know you are working very hard in school so I hope you keep up that obair iontach (wonderful work) and "Déan do dhícheall"! (DO YOUR BEST!)

Le meas,

Mrs. McCarthy,
Príomhoide
