

## ADDITIONAL INFORMATION FROM THIRD CLASS TEACHERS

### Introduction

Dear Parents,

We welcome you and your daughter to 3<sup>rd</sup> Class. Teachers and pupils alike are all excited to be back in the classroom.

Your daughter has now entered the Senior Cycle of the Primary School Curriculum. This year is about empowering the girls to become more responsible in their learning and in the organisation of their school books and equipment.

We are looking forward to a productive and enjoyable year. Lots of work and lots of fun!

Ms. Catherine Brodie, Ms. Daly, Ms. Mason and Ms. Walshe ☺

### Class Blog

We use our Class Blogs on the school website to keep parents updated in classroom activities and projects. Click on:

<http://www.belgroveseniorgirls.ie/category/class-blogs/3rdclassblogs/>

### School Requirements

Your child will need the following supplies this year:

1. Pared HB pencils
2. Coloured pencils and crayons
3. Eraser and pencil sharpener
4. Ruler
5. Pritt Stick
6. Art Shirt
7. 2 whiteboard markers
8. Highlighters

**The pencil case must be left in school**

### Homework

Homework is an essential part of your child's learning. It reinforces what she has learned in class that day. It is important she completes it fully, ideally in a quiet environment without distractions. In Third Class we encourage each child to develop her organisational skills in relation to her homework.

This year the girls will have traditional homework i.e. Mental Maths, spellings, and reading in both English and Irish. From time to time, we may assign online homework through **Seesaw** our online learning platform.

Oral homework is as important as written homework. Third Class homework should take roughly 30-40 minutes of consistent work. All journals should be signed by a parent/guardian every night after checking that homework has been completed accurately.

## English Scheme

We are excited to be using the Over the Moon English scheme which is in line with the new language curriculum. It is available online

<https://www.gillexplore.ie/gill-explore-resources/over-the-moon-3rd-class-skills-book?Chapters=0&ResourceTypes=1192>

1

## Reading

Homework reading must be read **aloud** for you every night. If your child has difficulty with a word, help her to break it into syllables and sound it out. If this fails, tell her the word and ask her to read the sentence again. At the end of the reading session, chat with your child about the content of what she has read.

We cannot over emphasise the importance of developing a love of reading at this stage.

Reading material should always be at your child's reading level. Read to your child, read with your child (paired reading), let your child read to you. Make it fun!

We encourage 15minutes reading for pleasure every night.

## Spelling

The children are encouraged to learn spelling using the “**Look and Say, Cover, Write, Check**” method. The actual writing down of each spelling using the spelling strategies they have been taught in class, is a very important part of the learning process. Their spellings will be checked on an on-going basis through dictation exercises.

Weekly spellings are taken from Brendan Culligan’s Core Word List and our class reader. In addition to this each child is maintaining a personal spelling wall.

## English Writing

We encourage the children to be accurate with sentence structure, punctuation, spellings and grammar.

In order to promote self-expression and fluidity of ideas during creative writing, all mistakes may not be corrected.

## Handwriting

Neat hand writing is expected in classwork, homework and in project work. The neat layout of work is an important skill. This is reinforced in class on a daily basis and should be encouraged at home.

Joined writing will be continued through the Go with the Flow programme.

This will be done in the workbook to begin with and may progress to copy books later in the year.

## Gaeilge

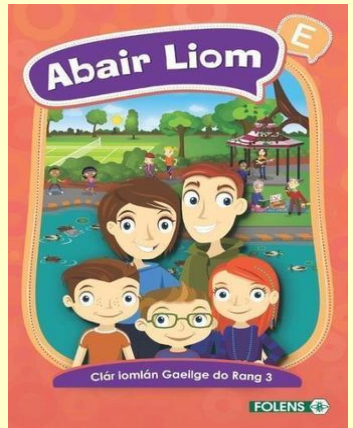

The revised curriculum has a strong emphasis on oral language. We would encourage each child to use the phrases and vocabulary she learns in school at home. These can be found on the Gaeilge Blog Gaeilge Blog on our school website and also on *Abair Liom online* (Login instructions on our website

<http://www.belgroveseniorgirls.ie/2020/04/abair-liom-online-2/>.

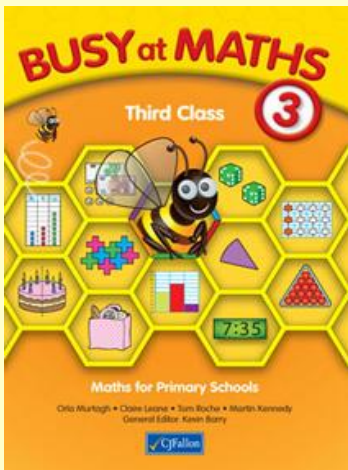

Please use the online recordings to practice reading, this will help with pronunciation. Formal reading and writing of Irish are introduced this year along with simple Irish spellings.

We are trialing SingFónaic; an Irish phonics programme to assist with Irish reading and pronunciation.

Be positive and bain úsáid as the “cúpla focal” whenever possible!

## Maths

The Maths programme in Third Class is extensive. It incorporates the introduction of multiplication and division. The learning of addition, subtraction, multiplication and division tables is **essential**.

**Tables** can be learned, as spellings are, using the “**Look and Say, Cover, Write, Check**” method. Additional resources are available on the school website.

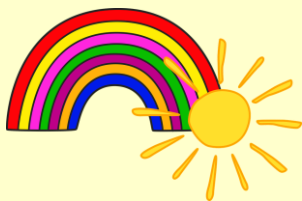

Check your child’s Maths homework each night. If she is having a problem doing it, or has been unable to complete it, please put a note in her Homework Notebook.

Many Maths topics can be carried out informally. Help your child to:

- Read the time both in digital and analogue.
- Be familiar with coin values and be aware of change when shopping.
- Understand fractions when sharing.

Busy at Maths is available online at [www.cjfallon.ie](http://www.cjfallon.ie). You may need to school roll number (17148D) if you are setting up an account for the first time.

## S.P.H.E

We are using the Weaving Wellbeing, Stay Safe, Walk Tall, RSE and Webwise programmes to deliver the SPHE curriculum. We would encourage you to engage in the Home -School Links in these programmes.

## Religion

We are continuing with Grow in Love programme in class. If you wish to engage with the Home-School Links you can register on [www.growinlove.ie](http://www.growinlove.ie)

## Healthy Lunches

Children should bring healthy lunches to school and should bring home unfinished lunches. Crisps and fizzy drinks are not allowed. Sweets and chocolate should be discouraged.

Please ensure that your child brings home her recyclable cartons in a plastic bag or in their lunch boxes. A re-useable water bottle with a sip lid which does not spill is recommended!

## Communication Requirements

Absences, late arrivals and early departures must be communicated via Aladdin Attendance Notes.

All journals should be signed every night after checking that homework has been completed accurately.

Please email the school office at: [info@belgroveseniorgirls.ie](mailto:info@belgroveseniorgirls.ie) if you have any queries or wish to discuss something with us.

## Social Media

Please monitor your child's use of the internet, they should be supervised when online. The HSE recommended Screen Time allowance is 2 hours. See [www.webwise.ie](http://www.webwise.ie)

## Assessment

Standardised Tests -The MICRA-T Level 2 Reading Test was administered in September and The Sigma-T Maths Test will be administered at the end of the school year.

Class based tests are important ways to communicate, please sign and return to school to keep informed of your daughter's progress.

## Seesaw

Our school is using the online platform to help facilitate blended and distance learning. It is a fantastic way for students to submit work and receive feedback from their teachers.

## Project Work

Don't Stress! Projects at this stage are usually 2 scrapbook pages long, about 10 facts and pictures. Keep it simple and in the childrens' own words. Encourage neat and tidy presentation. Guidelines will often be put on the Class Blog.
