I understand the School Policy regarding Mobile Phones/Devices and I understand the sanctions. I am aware that:

- I am **not permitted to have a mobile phone switched on or to use it in any way on the school premises (i.e. inside the school gate)** during the school day, unless specifically granted permission by a teacher
- If I have a smart watch it must remain in my bag while at school or engaging in any school activities.
- If I am found to have photographed / (voice) recorded / videoed any member of the school staff in the school or while on school excursions without being granted permission by a teacher, then I face immediate suspension
- I should not share the password to my mobile phone.

I am willing to obey the rules of the school.
