A thuismitheoirí /a chaomhnóirí

The last week has been a rollercoaster and one of many emotions! The girls are amazing - I have attended amazing performances, raps, dances.... I have received **so many** fabulous cards, notes & class books where each girl has written something for me. I cannot wait to read them and I really appreciate all the art work and the writing they did for me. You have been very generous with your kind, thoughtful gifts to me, I am gobsmacked. I really appreciate it. Earrings, books, a warm scarf and travel fund! My sincerest thanks. I am the luckiest principal and very privileged to have been the principal here for the past eleven and a half years.

Nach raibh an t-ádh liom.

I thoroughly enjoyed all the author zoom sessions with the girls and from listening to the girls I think they did too.

I've given each class a copy of "A hug for you" and you can see the class buckets here with a treat for the girls! I made a book mark for each of them too - and was able to get it printed so they will all remember "Déan do dhícheall!"

To my amazing hard working staff - míle buíochas and to the school community - School Wardens, priests and Deirdre, Sacramental Co-ordinator, neighbouring Belgrove Schools especially the principals, our Board or Management, GAA PRO, our cigire, to the parents and guardians - I have loved my time in Belgrove. And to my **Cáilíní Iontacha**, **my wonderful girls** who have made my teaching career the job I have LOVED - I will miss you!

But remember Belgrove Abú!

Déan do dhícheall 😊

Love you lots and keep up the reading!!

Ná déan dearmad -

Always remember

to be

your

best great self

because

You ARE great!!
