

- Maths – Wednesday 29th
- Complete Q. 1 + 2 in your copy.
- In Q.1, make sure you use **the least amount** of coins to make the total, like we do in Maths Stations.
- In Q.2, remember to **round up to nearest 10** first to find the change. (I will add a short clip on Seesaw to help with this.)

Busy at Maths 2 - Second Class

Pg 131

Money 2 – Giving change from €1

1. Draw the **least** number of coins to show the following amounts.

(a)

€1.45

(b)

€0.18

(c)

€1.62

(d)

€1.77

2. What change in **cent** and **€** (euro) do I get when I buy the following items?

	I had	I buy	Change in cent	Change using € sign
(a)	€1.50		60c	€0.60
(b)	€1.40		c	€
(c)	€1.80			
(d)	€1.20
