

'Nois is muid tagtha, bígí linn go luath,  
(Beidh sí a'ainn, go luath)

'Nois, is muid tagtha

Bígí linn le bhur gcroí, uilig le chéile  
(Beidh sí a'ainn, go luath)

Dúinne an t-am, dúinne an t-am)

Tiocfaimid le chéile lenár dteanga

Ón lá gur leag muid ár gcos ar an talamh,  
Comh fíor leis an ngrian os ár gcionn  
Ár nglór ag tabhairt faoi,  
Rud nár chuala siad riamh  
I bhfad níos mó, ma thagann tú liom

Go leor anseo linn inár dtír,  
Nach mbeadh daoine in ann a thiontú  
Ach an las' ar mo aghaidh,  
Dath nach féidir a roinnt,  
'Sé ag rá, go n-éiríodh linn

I roth mór an tsaoil  
D'ár gcasadh fós,  
Ón maitheas go holc,  
Muinín is grá  
Go rachfaimid,  
Ár shlí fhéin, san roth mór  
Roth mór an tsaoil

I roth mór an tsaoil  
D'ár gcasadh fós,  
Ón maitheas go holc,  
Muinín is grá  
Go rachfaimid,  
Ár shlí fhéin, san roth mór  
Roth mór an tsaoil

Now that we've gathered, join us early,  
(She will be there, soon)

Now, that we've gathered,

Be with us with your hearts, all together  
(She will be here, soon  
it's our time, it's our time)

We will come together with our language

From the day that we set our feet on the ground,  
As true as the sun over our head  
Our voices talking about,  
Things you've never heard before  
And much more, if you come with me.

Many here in our country,  
(Thought) people would not be able to change  
But the blush (light) on my face,  
Is a color that can't be divided  
He is saying, be successful

In the big circle (wheel) of life  
In our Change over yet,  
From goodness to bad,  
Trust and love  
We will go,  
Our own way, the big circle (wheel)  
Big circle (wheel) of life

In the big circle (wheel) of life  
In our change so far,  
From goodness to bad,  
Trust and love  
We will go,  
Our own way, the big circle (wheel)  
Big circle (wheel) of life
