

Tír na nÓg – Celtic Designs Colouring Sheets

In the story of Tír na nÓg we hear of a group of warriors called Na Fianna. Their job was to protect the High King of Ireland by roaming the green hills of Ireland and going into battle when necessary in order to protect the King and their land. Na Fianna carried swords and big oval shaped shields. On these shields there would be Celtic Patterns.

Colour the image below to use on your warriors shield.
