### Lost at the Beach

Angela stopped looking at the ocean to admire her bracelet. Her grandmother had given it to her, and it was very special. Then Angela slipped off her shoes to enjoy a barefoot walk along the beach.

A woman in a boat passed by. She waved, and Angela waved back. Then she stared down at her arm in shock. Granny's bracelet was gone!

Angela returned to her family and told them about her bracelet disaster. They burst into action.

Grandpa used his metal detector. He couldn't find the bracelet.

Angela's brother Johnny followed his sister's footprints along the beach. He too hoped to discover her bracelet, but he never saw it.

Mom carefully sifted the sand where Angela had been sitting. She searched and searched. She couldn't find the bracelet, either.

It was time to go home. Angela blinked back tears. She picked up her shoe. Out fell the bracelet!
