

School Cross Country

On the 10th of October, students from our school participated in the North Dublin primary Cross country race. The race was located in the fields beside Portmarnock Leisure Centre. There was tough competition but we fought hard and had great success! We are continuing athletics for fun on a Wednesday and a Friday. Congratulations to the girls who competed and thank you to the teachers who helped out!

This month the girls in Belgrove designed Christmas cards. On the back of the cards it has your name, class and year. It is €8 per pack and you can buy it on Aladdin now. All the money is going to the parents' association.

5th Class Assembly

At 5th class assembly we had lots of different songs and poems. Mr. Duffy had a group of girls playing a beautiful song using the instruments they play. We also had our school song. 5th class worked very hard all October to put together a great assembly! We finished off with a prize giving where Mr. Dilleen awarded maths door champion to Mr. Moore's class.
