

A thuismitheoirí/ a chaomhnóirí,

Happy Halloween! As we draw to a close for our mid-term break, we also end what has been an extra busy week in Belgrove Senior Girls' N.S.

Hallowe'en Sponsored Walk:

Our annual Hallowe'en Sponsored Walk took place today. There was great excitement. All students & teachers came to school dressed in fantastic costumes and together we did a walk around the local area. To make it even more special, lots of parents came out to say hello and to wave as we passed them by. All the money raised from today's sponsored walk will be used to upgrade our 'Cozy Room' into a more appropriate sensory room.

Corn Austin Finn:

On Thursday, the whole school travelled to Croke Park to cheer on the school Gaelic football team. In a very close match against St. Brigid's N.S. Castleknock, we emerged victorious. For many pupils it was their first time in Croke Park making the occasion extra special.

Yard Upgrades:

New horizontal climbing frames were installed in the school yard. These have proved very popular with the students. It is an extra activity for the students on yard and is used by pupils from 2nd – 6th each day.

Soccer goals were purchased for 5th and 6th class students for use on the school AstroTurf pitch. Additional soccer goals have been ordered for 4th class.

Height adjustable basketball hoops (donated by Belgrove Basketball) have also ensured that our budding basketball superstars have ample opportunity to practice each day on yard.

Soccer:

We have started an internal soccer league for pupils in 5th and 6th class. *Dilleen's Dragons* were held to a 2-2 draw by *Creedons' Crusaders* during the first leg of the league.

Math Week:

Math Week brought great excitement to Belgrove Senior Girls'. We had lots of different math activities across all the classes from 2nd – 6th. Thank you to Ms. Walshe for organising such a fun event for the whole school. In our annual math door competition, Ms. Moore's class were crowned the overall winners.

P.A Logo Competition:

Each year the Parents' Association has a logo competition. One winner was picked from each of our 16 classes. Roisín O' Sullivan from 6th class was the overall winner of this year's competition. Each of the 16 winners will have their artwork displayed in the school hall when we return from mid-term break.

Happy Hallowe'en everyone and enjoy the well-deserved break.

Mr. Dilleen
